

PROCEEDINGS OF THE THIRTY-FOURTH ANNUAL MEETING

BY PHILLIPS B. STREET, SECRETARY

The Thirty-fourth Annual Meeting of the Wilson Ornithological Club was held at the University of Michigan Biological Station on Douglas Lake, near Cheboygan, Michigan, from Sunday, June 14, to Wednesday, June 17, 1953. It was sponsored by the University of Michigan and the Michigan Audubon Society.

There were four sessions devoted to papers, three evenings of motion pictures, and two business meetings. A meeting of the Executive Council was held on Sunday evening, June 14, and a motion picture, "South to Siesta Land," by Fran William Hall, was shown at the same time, followed by two of the Walt Disney True-Life Adventure Series. The Annual Dinner was held on Monday evening, with First Vice-President Burt L. Monroe delivering the address in the absence of President Breckenridge. Olin Sewall Pettingill, Jr., showed his new film, "Tip o' the Mitten," based upon summer studies at the Biological Station, and it was followed by a film on the life-history of the Bob-white Quail, by Charles W. Schwartz. On Tuesday evening, the staff of the Biological Station and the officers and members of the Michigan Audubon Society were hosts at an informal reception, following the motion picture session.

Early-morning field trips were held on Tuesday morning to nearby Reese's Bog and to Kirtland's Warbler country south of Onaway. All day field trips were held on Wednesday (1) to Kirtland's Warbler country, (2) to Wilderness State Park, and (3) to the Upper Peninsula.

FIRST BUSINESS SESSION

Vice-President Monroe called to order the first general meeting at 9:30 a.m., Monday, June 15. Dr. Alfred H. Stockard, Director of the University of Michigan Biological Station, welcomed the Club to Douglas Lake. The minutes of the 33rd Annual Meeting were approved as published in *The Wilson Bulletin* for September, 1952.

Secretary's Report

The secretary, Phillips B. Street, summarized the principal actions of the Executive Council as follows:

1. Harrison B. Tordoff was unanimously re-elected editor of *The Wilson Bulletin*.
2. The Executive Council accepted the invitation of the Delaware Valley Ornithological Club, the Urner Ornithological Club, and the New Jersey Audubon Society to hold the 35th Annual Meeting at Cape May, New Jersey, on Saturday and Sunday, June 12 and 13, 1954. A meeting of the Executive Council will be held on June 11, and organized field trips will be offered on June 14.
3. An annual contribution of \$5 was voted to the International Committee on Bird Protection.
4. The importance of life memberships in building up our endowment funds was discussed at some length, and those who are able are urged to give serious consideration to becoming life members.

Membership Committee

Ralph M. Edeburn, chairman, reported that the names of 155 prospective members enrolled since the 1952 Annual Meeting were posted for the inspection of members and for election by vote at the final business session. On December 31, 1952, the club had 1347 active, 238 sustaining and 82 life members, a total of 1667. Since January 1, 1953, 91 new members have been added. This number will be further increased by the reinstatement of delinquents. The total circulation of the *Bulletin* on December 31, 1952, was 1898; this included 156 institutional subscriptions and 75 exchanges. The membership appears to be in stable condition.

Research Grant Committee

John T. Emlen, Jr., chairman, reported that the year had been a discouraging one for his committee. Only \$25 remained in the Louis Agassiz Fuertes Fund, and it was decided that announcements of a grant would not be distributed until such time as

sufficient money was available to make a full award of \$100. The President's appeal in the March *Bulletin* for contributions brought forth two responses, but not in time to make a proper announcement for applications, and the award was accordingly deferred for this year.

No candidates were proposed for the S. Morris Pell Award.

It is with great pleasure that we announce a donation of \$500 at the Annual Meeting to the Research Committee by an anonymous member of the club. It is most gratifying that this worthy tradition can now be perpetuated, and we sincerely hope that other members in a position to contribute to a research fund will follow this fine example.

Library Committee

George J. Wallace, chairman, reported the major activity of the committee was the publication of the complete book list in the September, 1952, *Bulletin*, which will enable one to see what books or monographs are available, if he wishes to borrow, and what are not available, if he wishes to donate to the library. Accessions to the library since June, 1952, totalled 612 items, consisting of 60 books, 428 reprints, 323 magazines, 99 pamphlets, 1 bulletin, and 1 bird song record. These contributions were made by 79 different donors. The above list substantially exceeds the accessions of any recent year, especially in the number of books. These contributions have been most gratifying.

Illustrations Committee

Robert M. Mengel, chairman, reported that the committee has (1) supervised completely the selection, reproduction, and delivery of the four-color frontispieces in the *Bulletin* and (2) redrawn for authors figures for three articles now in press and has consulted with the editor about numerous other illustrations and illustrations problems.

Temporary Committees

The following temporary committees were appointed:

Auditing Committee: Lawrence H. Walkinshaw, Chairman; John M. McCormick.

Resolutions Committee: Dwain W. Warner, Chairman; Betty Carnes; Harold S. Peters.

Nominating Committee: Maurice G. Brooks, Chairman; Albert F. Ganier; Robert A. McCabe.

SECOND BUSINESS SESSION

The second and final business session was called to order at 10 a.m., Tuesday, June 16.

The applicants for membership, whose names were posted, were elected to membership to the club.

Report of Auditing Committee

The auditing committee reported that they had examined the books of the treasurer and found them to be correct. They recommended that an accountant be employed to audit the books in the future, prior to the annual meeting date.

Report of the Resolutions Committee

WHEREAS the Wilson Ornithological Club at its Thirty-fourth Annual Meeting has had one of the most successful meetings in the history of the organization, therefore, BE IT RESOLVED that the Wilson Ornithological Club at its Thirty-fourth Annual Meeting, held June 14-17, 1953, at the University of Michigan Biological Station, Douglas Lake, Michigan, express its sincere thanks to those who have made this meeting a most memorable one; to Dr. Harlan Hatcher, President of the University of

Michigan, for making available the facilities of the Biological Station; to Dr. Alfred H. Stockard, Director of the Biological Station, and his staff for their generous and efficient service; to members of the Michigan Audubon Society; and especially to the Local Committee on Arrangements: H. Lewis Batts, Miss Hazel L. Bradley, Edward M. Brigham, Jr., Donald W. Douglass, Miss Irene F. Jorae, Harold F. Mayfield, Mr. and Mrs. Clarence J. Messner, Miss Theodora Nelson, Haven H. Spencer, George J. Wallace, Robert A. Whiting, Harold Wing, and particularly to Olin Sewall Pettingill, Jr., Chairman, and Nicholas L. Cuthbert, Vice-Chairman.

Election of Officers

Maurice G. Brooks, chairman, reported for the Nominating Committee and proposed the following officers for the coming year: President, Walter J. Breckenridge; First Vice President, Burt L. Monroe; Second Vice President, Harold F. Mayfield; Treasurer, Leonard C. Brecher; Secretary, Phillips B. Street; Elective members of the Executive Council, W. W. H. Gunn (term expires 1954), Joseph C. Howell (term expires 1955), and A. W. Schorger (term expires 1956).

The report of the Nominating Committee was accepted, and, there being no nominations from the floor, the secretary was instructed to cast a unanimous ballot for these nominees.
